

Fourth Annual "Touchdowns for Down Syndrome"

Central Dauphin vs Carlisle
Friday, September 20, 2019 @ 7:00 p.m.
Landis Field

This event was inspired by Samantha Mosey during her junior year in high school. She was motivated to promote awareness for this organization because she has a younger cousin with this chromosomal condition. Proceeds from the night will support the National Down Syndrome Society (NDSS) whose mission is to be the national advocate for the value, acceptance, and inclusion of people with Down Syndrome. This year it will be co-chaired by her brother Nathaniel Mosey, a football player, and Kate Henning, a cheerleader, both juniors for the 2019-2020 CD school year.

We invite all children, ages kindergarten through 12 grade, to participate in this unforgettable night. They will all be supplied a theme based t-shirt, and a coupon redeemable for a hot dog, bag of chips, and drink.

Planned activities:

Thursday, September 19th: Participants will be invited to attend and drill with the football players during practice. This will be followed by the families joining the team at their weekly pasta meal.

Friday: Participants will attend the game, go out for the coin toss, and be on the sidelines with the cheerleaders.

Please fill out form and return by September 6th.

Name: _____

Age: _____ Grade: _____ School: _____

Parent/Guardian's Name: _____
