

CDSB to Hold Town Hall Meetings

The Central Dauphin School District (CDSB) is pleased to announce that it has scheduled four town hall meetings throughout April and May to discuss challenging budgetary decisions.

The District is at a critical juncture in our effort to be good stewards of public resources while providing high-quality education for our students to be competitive, locally, nationally and globally, in the 21st Century. Community input is urgently needed to discuss these difficult budgetary decisions.

The town hall meetings have been scheduled as follows:

April 9, 2019 at 7:00 p.m. CD High School Auditorium (437 Piketown Road in Harrisburg) - Budget Informational Meeting

April 16, 2019 at 7:00 p.m. – Swatara Middle School Auditorium (1101 Highland Street in Oberlin) - Traditional Format with Q & A

April 29, 2019 at 7:00 p.m. – CD East Middle School Auditorium (628 Rutherford Road in Harrisburg) - Traditional Format with Q & A

May 9, 2019 at 7:00 p.m. – CD East High School Auditorium (626 Rutherford Road in Harrisburg) - Budget Informational Meeting

The April 9 and May 9 meetings will be informational in format. The Administration will discuss district finances and the budgetary process, followed by a Q & A period. The April 16 and April 29 meetings will be held as a traditional town hall format with an opportunity for the public to ask questions and provide comments.

We believe it is crucial for residents to become informed about the daily operations of their local school district. To that end, we urge each district resident to become actively engaged in the CDSB by attending these important town hall meetings.
