

TEEN DEPRESSION GROUP

Penn State Hershey is beginning a new group therapy program for teenagers age 13 to 18 with symptoms of depression. This 12-week group will focus on skills for improving mood, building relationships, and dealing with

*** challenges in life.
We hope to see you there!**

When: Tuesdays 4:30 to 6:00pm

**Where: Penn State Hershey Medical Group,
22 Northeast Drive, Hershey, PA**

**For additional informational and to
register, please contact:**

Christie Carr (717) 531-8338
