

Connecting to VDI for Offsite Non-District Devices

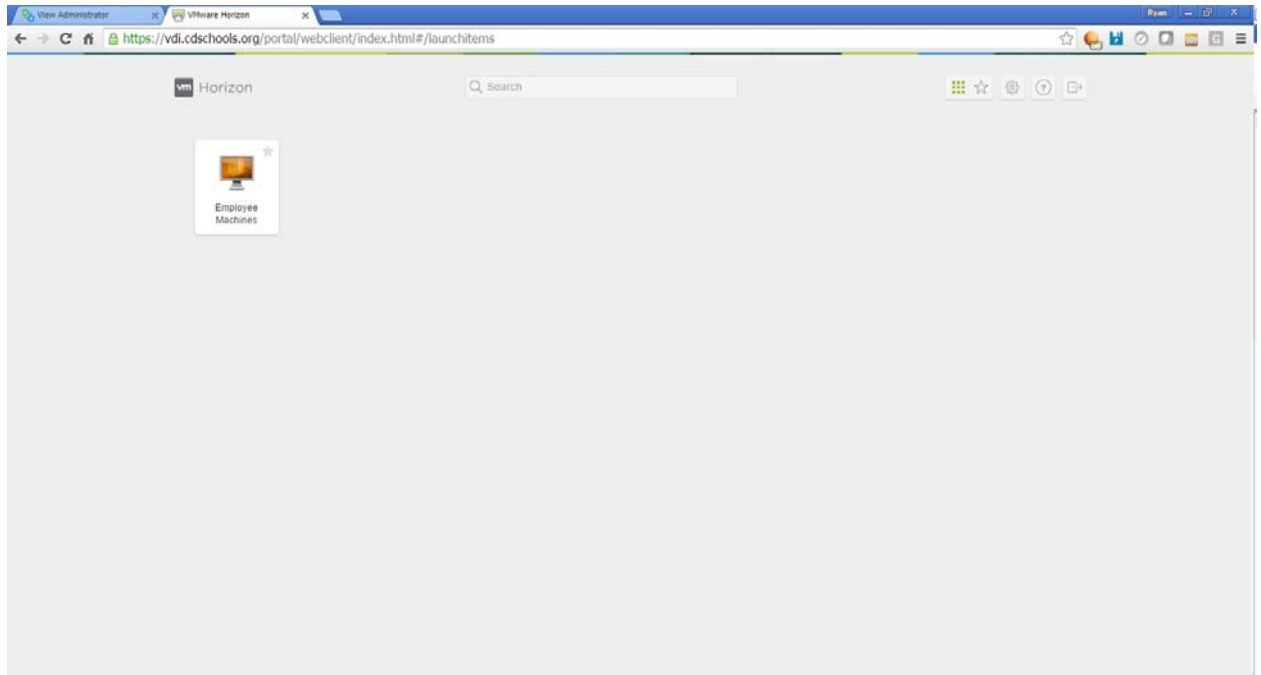

1. Open your web browser and go to <https://vdi.cdschools.org> and hit enter. You will see the below screen.

2. Click on the VMware Horizon HTML Access button on the right of that page, and you will be presented with the log in screen as seen below.

3. Enter your District Issued credentials, and click Login.
4. Once Logged in you will see the below screen double click on Employee Machines.

5. A desktop will then load as seen below and you will be able to get to any of the Districts web based applications (ex. Cdnet, IEPPlus, Eschool,etc) as well as your network shares (ex. H:, I: and S:, etc)
