“Get Reading for Get Air”
Summer Reading Program

Dear Parent/Guardian,

PA state standards require each child to participate in a wide range of reading. In order to meet this new requirement, the Central Dauphin School District is continuing our summer reading program in partnership with Get Air Harrisburg Trampoline Park to encourage and support home reading. Numerous research studies have shown that students who read more are better readers.

Students in grades K – 12 will be challenged to reach weekly goals for home reading based on their grade level. Please note that the goals are the minimum per grade, but students are always encouraged to read beyond the recommendations.

Grade Entering in August 2018	Goal
Kindergarten-1 st grade	50 minutes a week
2 nd -3 rd grade	75 minutes a week
4 th -5 th grade	100 minutes a week
6 th – 12 th grade	150 minutes a week

Home reading looks like, but is not limited to:

- Parent reads to child
- Child reads independently
- Child reads to parent
- Child reads with siblings, friends, caregivers, etc.
- Family reads together

Reading materials can include but are not limited to: books, magazines, Library Books, e Readers, reading anthology/Leveled Readers, anything sent home by the teacher, etc.

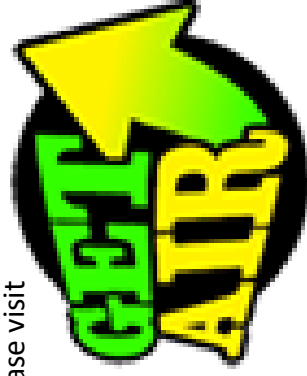

* Please note that social media does **NOT** count.

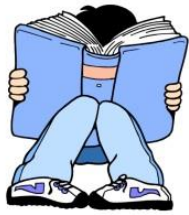

As encouragement, Get Air Harrisburg Trampoline Park, located at 3823 Union Deposit Rd, has offered a free ticket to their facility for every three weeks your child meets their weekly reading goal during the summer – please refer to the attached calendar for more information. To receive the ticket, you and your child must bring the completed calendar to the front entrance of the Central Dauphin School District Administration Building, located at 600 Rutherford Rd., during the assigned days and get a signature from a member of the Office of Curriculum, Instruction and Assessment. This program is only offered to students enrolled in the Central Dauphin School District – Please note that Private, Parochial and Charter School students are not eligible for this program. If you have any questions regarding this program, contact Bonnie Bullock at x204. Please visit www.getairharrisburg.com to learn more about the Trampoline Park.

We hope this will be a rewarding experience for your family.

Thank you!

Christa M. Snyder
Director of Curriculum, Instruction & Assessment
