Be the change you want to see in the world – Open your heart and home to a Fresh Air Fund child

Host families are needed in the greater Harrisburg area!

The Fresh Air Fund, an independent, not-for-profit agency, has provided free summer experiences to more than 1.8 million New York City children from low-income communities since 1877. Each summer, over 4,000 NYC children experience summer the way it's meant to be – in the fresh air!

- Children on first-time visits are between the ages of 7 and 12. You select the age and gender of the child.
- Trips are one week (July 5-12, August 10-17) and arrive in the Harrisburg area.
- FAF covers all costs for transportation and insurance.
- Hosts can be singles, couples or families with children

Is there room for one more on your picnic blanket? As part of our Host Family program, hosting a child is as simple as giving them a bed, packing an extra PB&J, running through the sprinkler, toasting marshmallows, or walking the dog.

It's not about spending money; it's about sharing new experiences and making memories together.

Celebrate summer differently this year. Take a Fresh Air child along for the ride!
